

Privacy Policy

Pixinn Tech is committed to protecting your privacy. This Privacy Policy explains what personal data we collect when you visit pixinntech.com or contact us, how we use it, and the rights you have under the General Data Protection Regulation (GDPR).

1. Who We Are

The controller of your personal data is Pixinn Tech, K. Petrausko str. 26 - 303, LT-44156 Kaunas, Lithuania. If you have any questions about this policy or how we handle your data, contact us at info@pixinn.lt or +370 692 07707.

2. Information We Collect

We collect the information you provide through our contact form (name, email address, phone number, and the contents of your message) and through job applications (name, contact details, and the CV or other documents you attach). We also automatically collect limited technical data when you browse the site, such as your IP address, browser type, device information, and the pages you visit.

3. How We Use Your Information

We use your data to respond to your inquiries and prepare commercial offers, to evaluate job applications, to operate, analyze, and improve our website and services, and to protect our forms from spam and abuse. We do not sell your personal data.

4. Cookies and Analytics

With your consent, we use Google Tag Manager and Google Analytics 4 to understand how visitors use our site. These tools collect data such as your approximate location, browser and device information, referring pages, visit duration, and interactions with the site. Analytics cookies are set only after you press Accept on our cookie banner — until then, and if you decline, Google Consent Mode keeps all analytics and advertising storage disabled. Your choice is stored in your browser, and you can change it at any time using the Cookie settings link in the page footer. Our contact and career forms are additionally protected by Google reCAPTCHA, which is necessary for site security.

5. Legal Bases for Processing

We process your data based on your consent (analytics cookies), our legitimate interest (responding to messages you send us, securing the website, improving our services), and steps taken at your request prior to entering into a contract (commercial offers, job applications).

6. Sharing Your Information

We share data only with service providers that help us operate the website — hosting, email delivery, and Google (Google Ireland Ltd.) as the provider of analytics and reCAPTCHA services — and where disclosure is required by law. All providers process data under agreements that comply with the GDPR.

7. Data Retention

We keep your data no longer than necessary: contact inquiries for as long as needed to handle your request and any follow-up, job applications until the recruitment process ends unless you agree to a longer period, and analytics data according to Google Analytics retention settings (14 months).

8. Data Security

We implement appropriate technical and organizational security measures to protect your personal data against accidental or unlawful destruction, loss, alteration, or unauthorized disclosure. However, no method of transmission over the Internet is completely secure, and we cannot guarantee absolute security.

9. Your Rights

Under the GDPR you have the right to access, correct, delete, or restrict the processing of your personal data, the right to data portability, and the right to withdraw consent at any time (for cookies — via the Cookie settings link in the footer). To exercise these rights, contact us at info@pixinn.lt. You also have the right to lodge a complaint with the State Data Protection Inspectorate of the Republic of Lithuania (vdai.lrv.lt).
